

GrailKnights Embassy

Publicado por {GrailKnights}Rheims - 16 Jul 2008 18:46

Hello mighty Celtiberos!

I bring diplomatic reasoning from the GrailKnights. I have created a neutral Embassy in which i hope we will procede further useful negotiations.

Our current website is [url:2shxwvg1] www.grailknights.net [/url] however we are currently working on a new one which i hope to keep you updated on. Please feel free to create an Embassy on our forum.

Until next time, we hope future reaoning will be successful and beneficial.
